Faith Comes By Hearing Event March 11

On Wednesday, March 11, from 6:30-8pm in the sanctuary at Stonebridge there will be a presentation by a representative from "Faith Comes By Hearing." Pastor Scott recently shared a story about a solar-powered **Faith Comes By Hearing device** that recently allowed a group of Nigerian people to share the gospel in their native language to their village that led to many coming to know Christ. Please join us on March 11. The Faith Comes By Hearing goal is to translate, record, and distribute the Bible in every language of the world by the year 2033 and allow God to use these solar-powered devices to lead many to Christ.

Since its inception, **Faith Comes By Hearing** has been partnering to provide God's Word to every person. Jerry and Anet Jackson founded Faith Comes By Hearing (then known as Hosanna) in 1972 as a Christian tape-lending library. Thanks to their unwavering commitment to the Word of God, Faith Comes By Hearing is now a recognized leader in Audio Bible production and engagement. Through our wide range of listening programs—whether in a group centered on a physical Audio Bible device or personally through various digital means—hundreds of millions of people around the world have encountered God's truth in their heart language. Today, Faith Comes By Hearing provides God's audible Word in 2,565 languages, and we press on to ensure
